

A motion was made at the October meeting to amend the current bylaws by adding a provision to collect a \$100.00 surcharge to the club dues to pay for 25 weeks of lawn care. Lawn care contract to be determined. Below is my suggested amendment which would be added to Article V of our current bylaws.

Field Mowing Surcharge

The field mowing surcharge is \$100.00 per year for all active members, which shall be paid concurrent with membership dues. The field mowing surcharge is subject to the same prorating as the regular dues. January 1st through June 30th is \$100.00, July 1st through September 30th is \$50.00, and October 1st through December 31st is \$100.00 and will be applied toward the next year's dues. Honorary members are the only exemptions for the surcharge. The surcharge will be co-mingled in the checking account with the annual dues and field maintenance dues. The collective mowing surcharge will be used to pay for no more than 25 weeks of contract lawn care annually. Bids for the lawn care contract will be collected and submitted for attending majority approval no later than the March meeting each year.
